

At The Winns we believe that physical education is an essential part of a child's educational development. We aim to develop a balanced program offering a variety of activities to enhance skills in physical education. Positive participation in physical education will enable children to build, self-esteem, teamwork and positive attitudes in P.E.

We aim to:

- Develop confidence, skills and knowledge
- Encourage children to be proud of their achievements.
- Promote fair play and respect.
- Educate children to improve health and wellbeing.
- Provide quality opportunities for children both inside and outside of school.
