## DATES FOR DIARIES W.B. 21.3.2022

<b>Monday 21st March</b>	9:30 - School Nurse drop-in
<b>Wednesday 23rd March</b>	9:15 - 1ED Class Assembly
<b>Thursday 24th March</b>	4:30 - Vision and Values parents workshop

### A MESSAGE FROM THE HEADTEACHER

Today the sun shone, the sky was blue and the children enjoyed being outside so much. A lovely way to end a week when Covid continues to challenge us! Nothing like a bit of sunshine and children's laughter to lift everyone's spirits - today we had lots of both!

Thank you to our group of parents who came to our parent workshop this morning to talk about our vision for our school going forward. It is always great to hear your views about what you think is important for our school and some great suggestions were made. We have two more workshops planned - be great to see and hear from more parents. The next one is on the 24th March at 4.30pm and the last one is on the 1st April at 9.15 am.

This week we started our journey to become a Rights Respecting School. Working with UNICEF UK, and using the UN Convention on the Rights of the Child (UNCRC) we will be exploring with children and staff what it means to be a Rights Respecting school. The Winns already has an ethos where kindness and respect are embedded in our school. Becoming a Rights Respecting school will help us to further embed respect, kindness and equality and support our children to become responsible, active citizens who care about the world around them.

Well done to 1GF this week who did their first every class assembly, showcasing their great learning. It was so lovely seeing them share their learning so proudly and confidently. We are also very proud this week of a group of children in Y6 who decided they wanted to raise some money for families from the Ukraine. They gave up their playtimes and evenings to plan the event and I know worked really hard baking cakes for our sale. A huge thank you to everyone who supported them, either by providing cakes, buying them or both.

## BAKE SALE FOR UKRAINE

A group of our year 6 children held a hugely successful bake sale in the playground after school today to raise funds for the UNICEF appeal for Ukraine. The children involved put a huge amount of time and effort into organising the event. Both the children and the school would like to thank everyone who baked or donated a cake for the sale - your generosity is very much appreciated. We will tally up the amount raised in the coming days and let you know the final total.

## 1GF CLASS ASSEMBLY

1GF performed their very first class assembly for families and the rest of year 1 this morning. It was marvellous to see the variety of work that the children have been completing in class, ranging from scientific classification of animals to music and dance. There was a even a very catchy doubling rap to help us all remember our doubles to 10! Well done to all the children in 1GF for performing their parts so brilliantly. A big thank you to Miss Fiander and Miss Ania for preparing the children so well, and another thank you to all the parents and families who came along to show their support.

## SCHOOL GAMES CROSS-COUNTRY COMPETITION

Four of our year 6 children competed at the borough cross-country competition last Saturday. It was the first time that the school has entered runners in this event, with all four children placing well in a strong field of experienced runners. The conditions underfoot were difficult, with several items of footwear being lost in the muddiest sections of the course. In a girls field of just over 100, and a boys field of over 125 our results were: Miriam (6PB) - 34th; Betty (6AM) - 35th; Iqra (6AM) - 81st; Ze Kai (6PB) - 89th. A big thank you to the children's parents for their support in bringing them to the event.
