2CF CLASS ASSEMBLY

Well done to 2CF who performed their very first class assembly to parents on Wednesday morning. The children took the audience on a voyage through the history of intrepid explorers and adventurers such as Marco Polo, Bessie Cole and and Valentina Tereshkova. They looked at the attributes explorers of the world needed to have and likened them to the skills and qualities we have as learners. A huge thank you to Ms Flock and Ms Laura for preparing the children for their assembly, and also for the fabulous support from families who came to watch the performance.

A MESSAGE FROM FRIENDS OF THE WINNS

The totals are now in for the Hop Till You Drop event and we are delighted to announce that we raised £4,500 from cash sponsorship, gofundme donations and gift aid. Friends of The Winns would like to say a HUGE thank you to everybody who facilitated, donated and danced!

We are now looking forward to planning the Winns Summer Fair which will be held on Saturday 2nd July - 12-3pm. We desperately need volunteers to make this a success, so please join us for a meeting to discuss plans at The Bell pub on Thursday 12th May at 8pm; if you can't make this time, please join us on Friday 13th May at 9.15am at Delice in the park. We understand juggling life can be tricky so if you can't make either of these dates but would still like to help, please drop an email to fotwchair@gmail.com

Your help as always is much appreciated!

Best wishes,

Friends of The Winns

UKELELE LESSONS

Lots of our KS1 children have recently started learning to play the Ukelele. The lessons are provided by Front Row Music, who place an emphasis on performance and helping children to get excited about playing an instrument. So far, the children have thoroughly enjoyed their lessons and we look forward to seeing them perform sometime in the not-so-distant future!

YEAR 4 TENNIS FESTIVAL

A group of our year 4 children attended the Waltham Forest School Games Mini Red Tennis competition today. As well as small-sided games against other Waltham Forest schools, the children had the opportunity to learn new skills from secondary sports leaders. The team did brilliantly, topping their group before losing narrowly to the eventual runners-up - a fantastic achievement to be in the top 8 out of 28 teams.
