## YEAR 6 SUNTRAP RESIDENTIAL TRIP

A group of our year 6 children have spent two nights at Suntrap Education Centre in Epping Forest this week. Both the staff and the children were hugely excited to embark on our first residential in two years, and neither were disappointed. The weather was kind and the children had a fantastic time learning about climate change, building shelters and fires, orienteering and handling the range of animals kept at the centre. See the next page for more photos!
