4KB & 4RO Natural History Museum trip

Year 6 Junior Citizen event @ Leyton

Winns Summer Community Festival

TWELFTH NIGHT

Our year 6 children were lucky enough to be able to watch a preview performance of Shakespeare's comedy play Twelfth Night this afternoon. Part of a series of events run by the East London Shakespeare Festival, the children joined other schools in Fellowship Square to take advantage of the outdoor performance. The Festival continues throughout the next month at different parks and outdoor spaces across east London. Visit <http://www.elsf.uk/> for more information.

WINNS WEEKLY 24.6.2022

Y1, 2 & 3 SPORTS DAY

Year 1, 2 & 3 took part in their very first school Sports Day on Wednesday morning. The children braved the warm weather and competed in teams with their classmates in a series of fun sports activities. Thank you to all the families who came along and supported the event - we hope you enjoyed the opportunity to see your children competing and having fun! Thank you also to the year 5 Sports Ambassadors who guided the younger children through each event so enthusiastically, and to Miss Morris for organising the day.

Year 4, 5 & 6 were not so lucky with the weather - we are working on finding a new date before the end of term to visit the Sports Ground together as three year groups. Watch this space for more details!

MINI TOUR DE WALTHAM FOREST

A group of our year 6 children were able to attend the Mini Tour de Waltham Forest cycling event in Jubilee Park, Leyton on Wednesday morning.

The children had the chance to improve their cycling skills and raced against other schools in a fun, friendly environment.

When the children weren't racing, they visited the range of cycling-related activities on show, including pedal-powered smoothie machines, jukeboxes and a scalextric track.

While we didn't bring home any of the top prizes, everyone had a great time and the children represented the school brilliantly.

THIS SUMMER

WATER A WALTHAM FOREST TREE

CAN YOU HELP WATER OUR TREES DURING THE HOT WEATHER THIS SUMMER?

This year's spring has been extremely dry, so we need your help to help our trees thrive during the hot summer months.

50

Give a tree on a street or greenspace near you 50 litres of water throughout each week (about two large watering cans every two days) until the end of the summer.

Where possible, water should be sustainably sourced. Harvested rainwater is ideal, but bath water, or water which has been used for washing up, is also suitable.

Pour the water into the green bag located near the stem of the tree, or pour half into the irrigation pipe and half at the base of the tree.

Watering should ideally be carried out in the evening.

#WATERWFTREES
