THE WINNS COMMUNITY DAY

A reminder that tomorrow (Saturday 2nd) is our Summer Community Day. Please see the posters below for further details, including details of how to enter the Great Winns Bakeoff!

ENTERPRISE DAY

With your generous support, our Year 6 children were able to raise £215.82 from their Enterprise Day two weeks ago. This money will go directly to their end of year party. Thank you again for your support!

PLANT-A-TREE PROJECT

Year 2 have begun to take part in an ecological project this week in Lloyd Park. Children from 2JS worked alongside park volunteers to identify different species of trees, measure them to determine their age and learn about how best to conserve our green spaces. 2CF and 2BB will be attending the same workshops in the coming weeks.

NATURAL HISTORY MUSEUM VISIT

Our Year 4 children have been on their first school trip for a long time over the last two days. They visited the Natural History Museum to support their learning about volcanoes and earthquakes. The children investigated geological forces using an interactive demonstration, which included a real earthquake and pouring lava. The children had a fantastic time and learned a lot. Thank you to the parent volunteers that so kindly accompanied the children.
