**Thursday 21st July**

Year 1 Vestry House trip (1ED) - **CANCELLED**  
(2:30) Year 6 Leavers assembly

**Last day of term**

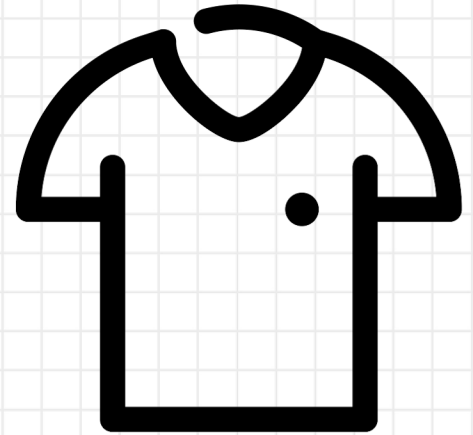

## YEAR 6 PRODUCTION

Our year 6 children took to the stage last night and on Wednesday afternoon to perform Shakespeare Rocks, the biographical, musical showcase of the world-famous bard. The children worked incredibly hard to put the performance together, and really showcased their many talents superbly well - everyone at The Winns is hugely proud of what the children have accomplished this year. We would also like to thank all the parents and families who came along to the performances to support the children as they near the end of their time in primary school. A huge thank you to the year 6 team as well - Mr Bishop, Miss Morris, Mr Cole, Daria and Jess have all helped to prepare the children so thoroughly.

## REMINDER ABOUT SCHOOL UNIFORM

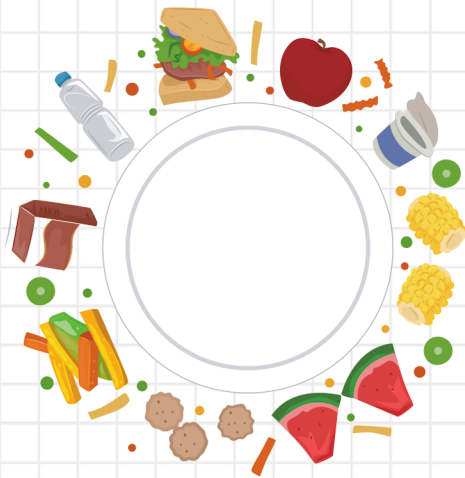

Please make sure that your child is wearing the correct school uniform when they return to school in September. This includes plain black shoes or trainers (no expensive logos). Recently a number of children have started to wear sandals to school. Sandals are not part of our school uniform. Children's feet often slip in sandals and in a busy playground when children run around a lot, it can lead to children falling over and cutting their toes on hard concrete. They are also not always suitable for climbing. Thank you for your support.

## TEA-TIME CLUB

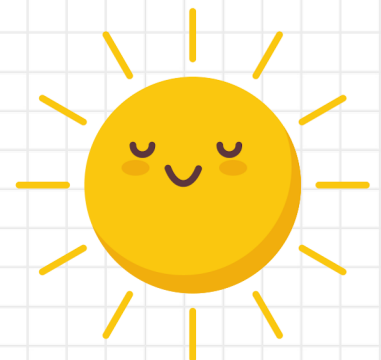

Our governing body met recently to discuss fees for tea-time club. This year, schools have seen an increase in energy costs, staffing costs and food costs and we know that these costs will continue to rise next year.

**We have made the decision this year not to increase costs.** We recognise that some families may currently be struggling to manage their finances and pay their energy costs. However, we do need to make you aware that **we will need to increase fees in line with inflation for September 2023** and continue to increase costs based on the rate of inflation going forward.

## WEATHER WARNING ALERT

Temperatures are predicted to be very high next week. Please make sure your child wears a sunhat to school (ideally one with a wide brim), brings cold water and wears sun cream. We will be monitoring the situation and limiting the amount of time children are outside on very hot days.
