Monday 19th

School closed - Bank Holiday

Year 6 Residential to Treginnis farm - all week

Tuesday 20th

5JC swimming - all week

After-school activity clubs start

QUEEN'S FUNERAL BANK HOLIDAY

In line with national guidance, school will be closed on Monday 19th September: the day of the Queen's state funeral. We will reopen on Tuesday 20th September at the usual times.

At school we are continuing to reflect on the life of Queen Elizabeth and talk to the children about the significance of her death. We know that some of our families are planning to pay their respects at Westminster Hall this weekend and know that the funeral on Monday will be a sad day for lots of our families and friends. Our thoughts and prayers remain with family and friends who are mourning the sad loss of Her Majesty.

AFTER-SCHOOL CLUBS STARTING

As our after-school activity clubs are starting next week, we would like to remind families to leave the playground promptly when you have collected your children at the end of the day. This is to ensure that after-school clubs using the pitches in the playground can start on time. Thank you for your support.

REPORTING AN ABSENCE

From Tuesday 20th September, we will be changing the way that we ask parents and carers to report their child's absence from school. Instead of leaving a voicemail message, you will be able to click the "Report an Absence" button on our website and fill in all relevant fields. A direct link to the absence reporting form can also be found [here](#).

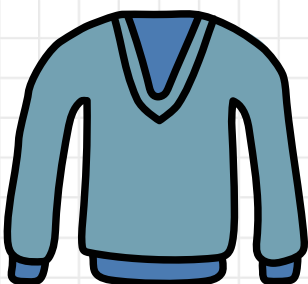

WINDRUSH PROJECT

We are planning to do a special whole school project in October to help our children to engage with and learn about the history of the Windrush generation. We want our children to understand why people from the Caribbean came to Britain, we want them to learn about the experiences of people who arrived in the UK from the Caribbean and to learn about the fantastic contribution they made to rebuilding the UK. We will use a range of historical evidence to support our project but know that the best available sources of evidence are the memories of people who experienced this journey first hand. If you have anyone in your family who could come into school to talk to the children, please let us know. If you would like to be involved in helping us to plan this project, please also get in touch via the school office.

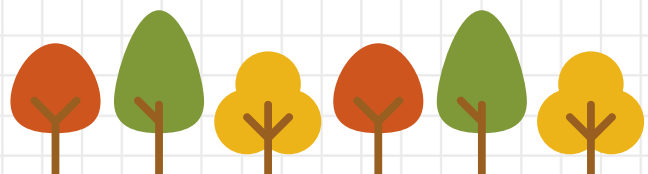

LOST PROPERTY

Every Friday we will be placing our 'lost property' outside in the playground (outside the double red doors). If you have lost school uniform, please feel free to check the box. Please label your child's jumpers and jackets to avoid losing school uniform.

PARK SCHOOL

This term we have begun a project with TCV (The Conservation Volunteers) at Lloyd's Park. Every Friday morning, one of our Year 1 classes will be visiting Lloyd's Park to engage in outdoor learning and to develop an appreciation of the outdoor world. The project will be delivered for five weeks - each Y1 class will visit the park each week for five weeks. The lessons will be delivered by the great team of conservation volunteers who work at the park. 1EF absolutely loved their first morning at the park today. They loved learning about the birds in the park and even had a go at building their own nest.
