YEAR 4 TRI GOLF EVENT

A group of our year 4 children attended the first School Games event of the year at Leyton Sports Ground this morning. They had the opportunity to learn some new skills in a fun environment, alongside children from other schools in the borough. Well done year 4!

YEAR 6 TREGINNIS RESIDENTIAL

Some of our year 6 children have spent the last week at Treginnis farm in Pembrokeshire, west Wales. The group have worked incredibly hard, looking after the various livestock on the farm and learning more about the "farm to fork" process, as well as having a fantastic time with their friends. All of the children represented the school fantastically and have certainly earned a well-deserved rest!

WINNS PARENT SURVEY

It is always nice to share good news, so we thought we should let you know some of the highlights to come out of our annual parent survey, conducted during the summer term. This was our second survey and we were really pleased to have had nearly 250 responses, with an overwhelmingly positive picture of what we are doing to ensure our children have the best quality education in a safe and nurturing environment. As a school, we are always going to be on a journey to grow and improve and these surveys, conducted with both parents and children provide the opportunity to refine what we do. Thank you for all of those who took part, and in doing so you are all contributing to the ongoing success of our great school. You can see some of the highlights below.

We're really happy with the Winns and our son seems very happy at school. We're impressed with the teaching and the headteacher is fantastic.

I'm very happy with the school. It feels positive and welcoming every time you come in.

Winns has supported my child through the years, great school.

I feel this is the best school my children have ever been to, feels more like family, the learning is great, and your greeted every morning and welcomed, it's a fantastic school. 😊

My son thoroughly enjoys school. Teaching is great and has instilled a love of learning.

Safety Comms Reward

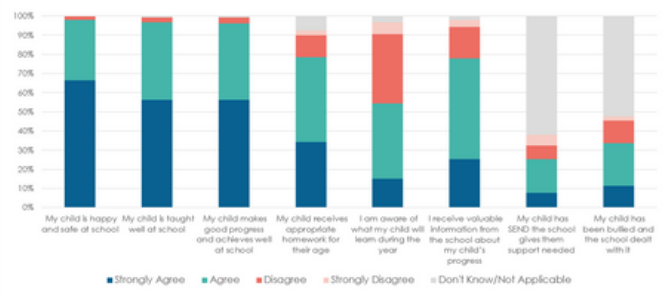

Happy Progress Stretch

Would appreciate more communication on topics covered/curriculum
