YEAR 6 TRIP TO MUSEUM OF LONDON DOCKLANDS

Year 6 visited the Museum of London Docklands this week to bring several of their units of work to life, including Globalisation, World War 2 and the Industrial Revolution. The children saw first hand the contrast in how the docklands area operated in the past and how it looks today. They engaged in the interactive exhibits and even made use of some historical costumes to really immerse themselves in the past!

5AF CLASS ASSEMBLY

Well done to 5AF who performed their class assembly for their families and the rest of the Green Hall children yesterday morning. The children showcased all of their hard work and learning around Ernest Shackleton's famed journey across the Antarctic. There was history, geography, art and even music on show! Well done year 5 for performing so brilliantly and to Mr Falk and Megan for helping you to prepare. Thank you also to all the parents and families who came along to show your support.

THERE'S A RANG-TAN IN MY BEDROOM

Our year 2, 3 & 4 children were treated to a live theatre performance inspired by James Sellick's fantastic book "There's A Rang-Tan In My Bedroom" on Thursday morning. We invited the Little Angel Theatre Company into school who recreated the rainforest in one of our halls to tell the story of three animals using a magical mix of puppetry and music as the children found out more about our animal friends and what we can do to help them.

TT ROCKSTARS COMPETITION

A huge thank you for encouraging your children to play lots of TT Rockstars earlier in the week to earn as many points as they could for themselves, their classes and the school in the 'England Rocks' nationwide competition.

In total, there were 3,613 primary schools taking part across the country and 28,584 classes. Based on the average amount of correct answers per class, we came in 1,059th as a school but if we instead look at total amount of correct answers per class, we actually came 584th out of 3,613, which is the highest that we've come in one of these competitions...so far! Please see the scoreboards below for the top TT Rockers and a photo of the top three children in each class from year 2 upwards!
