YEAR 4 SPORTSHALL ATHLETICS

This morning, a group of our year 4 children represented the school at the opening round of the London School Games Sportshall competition. The children were competing to set the fastest times and record the furthest distances in a range of track and field events. As always, competition was fierce but the children represented the school brilliantly. We now await the results of the other Waltham Forest sessions to find out if we progress any further in the competition.

YEAR 5 & 6 GIRLS FOOTBALL

In a bumper week for sports competitions, two teams of our year 5 & 6 girls represented the school on Tuesday at the School Games competition in Chingford. It was the largest girls' football competition ever held in the borough with 37 teams taking part. Both teams did amazingly well, with many of the children competing for the school for the very first time. Team Blue won one game and were unlucky not to win more in Group 2, whilst Team Black topped their group, and made their way through the quarter and then semi final without conceding a goal. Sadly, they couldn't quite maintain their record in the final, losing 3-0 to a well-drilled St Mary's team. Well done to all the girls and thank you to the parents that came along to support.

A.I.M. HIGH WRITING WORKSHOP

A group of our Year 5 children had the opportunity to take part in a Creative Writing Day at Walthamstow Library on Thursday with award-winning author and performance poet, Neal Zetter. The writing workshop was designed to develop students' literacy, self-expression, confidence, creativity, performance and team-working skills through writing and performing poetry in a fun, supportive environment.

As always, our children were fantastic ambassadors for the school and came away itching to put pen to paper for their latest literary creation. Well done writers!

CHRISTMAS DECORATIONS AROUND SCHOOL

All of the children have been hard at work over the last week or so creating an array of festive decorations to be displayed around school. This year, we have everything from stockings to robins, presents to snowflakes and everything in between strung up on our Christmas hoops. Well done to all the children for producing such brilliant designs and all the adults around school for helping. A special thank you to the tea time club staff who have been working with their children on the window display in the Green Hall tea time room.
