## WINNS WINTER FAIR

A big thank you to everyone who turned out in huge numbers on Saturday at The Winns Winter Fair. It was wonderful to see so many families enjoying themselves and exploring the range of stalls & games on offer. We were even treated to a very special visit from Santa as well....

An even bigger thank you also goes out to the FOTW for their hard work in organising this fantastic event, not just on the day, but in the days leading up to the event and afterwards. With your help, we raised an astonishing £4500. This year, we are raising money to update our library space, as well developing a cooking room to enhance our Design Technology provision. Thank you again for all your support!

## RECEPTION & YEAR 1 CONCERTS

Our youngest children have kicked off our busy programme of Christmas concerts over the last two days. Well done to our Reception and Year 1 children, and all the adults that helped to prepare them for their performances. Each performance has been supported by huge numbers of parents and families - thank you! We look forward to seeing you at the year 2 - 6 & Nursery concerts next week.

## PANATHLON BOCCIA & KURLING FESTIVAL

A group of our year 5 & 6 children attended the last event of the year for the WF School Games on Tuesday. The children tried their hand at Boccia and Kurling, developing new skills by working their way round a carousel of activities which introduced them to the sports. All the children represented the school brilliantly, and collected a range of School Games Values stickers for showing honesty, determination and self-belief. Well done!

## OSCAR & THE BFG

Over the summer holidays, we received the very sad news that one of our former pupils, Oscar, had passed away. He was a hugely popular boy with staff and children alike and we all miss him greatly. One of Oscar's favourite literary characters was Roald Dahl's Big Friendly Giant (BFG), so earlier this week some of our year 5 children worked with visiting artist Steve Porter to create an almost life-sized creation. Our very own BFG will be taking up permanent residence in our newly refurbished library as a lasting tribute to Oscar.

## COMMUNITY LIVING ROOM @ WILLIAM MORRIS GALLERY

The Community Living Room at William Morris Gallery is part of the The Winter Spaces Network for Waltham Forest, a collection of community and council venues across the borough that you can visit for free this winter. There are three types of Winter Space: Community Living Rooms, Community Kitchens and Libraries. Each space will be welcoming, safe and inclusive. You can find more information about the Network here:

[Winter Spaces Network](#) | [London Borough of Waltham Forest](#)

**Please note:** these dates are for the next academic year (2023-24) and are being published now so that families have plenty of notice to plan. If you require the dates for this academic year, they can be found on our [website](#) and [calendar](#).

## Learning, Achieving, Caring and Sharing
