LIFE LONG AGO WORKSHOP

Year 2 took a trip back in time yesterday, as they became palaeontologists for the day. They spent the morning unearthing the fossilised remains of the dinosaurs that once roamed the Earth, before meeting some very special guests to The Winns in the afternoon!

WINNS WEEKLY 27.1.2023

YEAR 2 TRI GOLF FESTIVAL

Nineteen year two children were very lucky to have the opportunity to attend the Waltham Forest School Games Tri Golf event at Peter May Sports Centre on Monday morning. The children picked up some new skills very quickly, showing fantastic resilience and team work throughout the event.

LUNAR NEW YEAR DANCE WORKSHOP

What better way to usher in The Year of The Rabbit than by having not one, but two colourful dragons dancing their way around Yellow Hall. Our children were so excited celebrating Lunar New Year. They even managed to squeeze in a celebratory fan dance.

DODGEBALL FESTIVAL

A group of year four children had the opportunity to attend the WF School Games Dodgeball Festival this morning. The children represented the school excellently and showcased the range of School Games values that we would expect to see from them. Well done all!

1LP CLASS ASSEMBLY

1LP performed their class assembly to parents and families on Thursday morning. The children showcased all of their learning around the Animal Kingdom topic. They showed off their art and design skills with the animal masks they had made, as well exhibiting their musical talents with not one, but two musical numbers! Well done to all the children, and to Miss Pepper, Miss Powney, Miss Nil and Miss Belinda for preparing the children.
