email for further details)

Friday 17th March KS2 Book Swap

3LG CLASS ASSEMBLY

3LG were the penultimate Blue Hall class to perform their class assembly to parents, families and the rest of Blue Hall this morning. They showed off everything that they have been learning about the Water Cycle, demonstrating a very clear understanding of the key vocabulary. They even treated us to a great song to help everyone remember the stages of the Water Cycle. Well done to all the children for performing their lines so brilliantly and also to Ms Gordon and Caitlin for making sure the children were so well prepared. Thank you to all the parents and families who came along to support their children.

WINNS WEEKLY 10.3.2023

INTERNATIONAL WOMEN'S DAY

We celebrated International Women's Day in school on Thursday. Lots of the children across school worked on different activities linked to the Day, which commemorates and promotes the social, economic, cultural and political achievements of women. The photo shows some of the children from 2CS who produced some wonderful "A Girl Can!" posters. Well done children!

YEAR 2 GIRLS FOOTBALL FESTIVAL

A group of our year 2 girls attended the Waltham Forest School Games Football Festival on Tuesday. The girls braved the freezing conditions to take part in a series of fun skill-based activities in a team. They all represented the school wonderfully and will hopefully bring their newly-honed skills back to school to share with the other children in their year group. Well done girls!

SCHOOL LIBRARY WISHLIST

Thank you very much to those families who have already donated books to our library through our wishlist - we are very grateful! The children have loved seeing the new titles in the library and we have now received over 40 individual books as donations, which is amazing! There are some extra titles being added to our list based on suggestions from the children ranging from graphic novels to adventure series, so they will have even more choice when they visit our library.

We have partnered with A New Chapter bookshop, who are hosting a wish list of books that parents and families are able to purchase as a donation to the school. If this is something that you feel you are able to do, please do take a look at the [wish list on A New Chapter's website](#). As soon as a donation is made, the books are couriered to the school and will be added to our stock straight away.

A NEW CHAPTER

A CHILDREN'S BOOKSHOP SPECIALISING IN DIVERSITY AND INCLUSION

WINNS WEEKLY 10.3.2023

Headteacher: Fiona Judge / The Winns Primary School, Fleeming Rd. E17 5ET
020 8527 1872 / www.thewinnsprimaryschool.co.uk / office@winns.waltham.sch.uk

BOOK FAIR

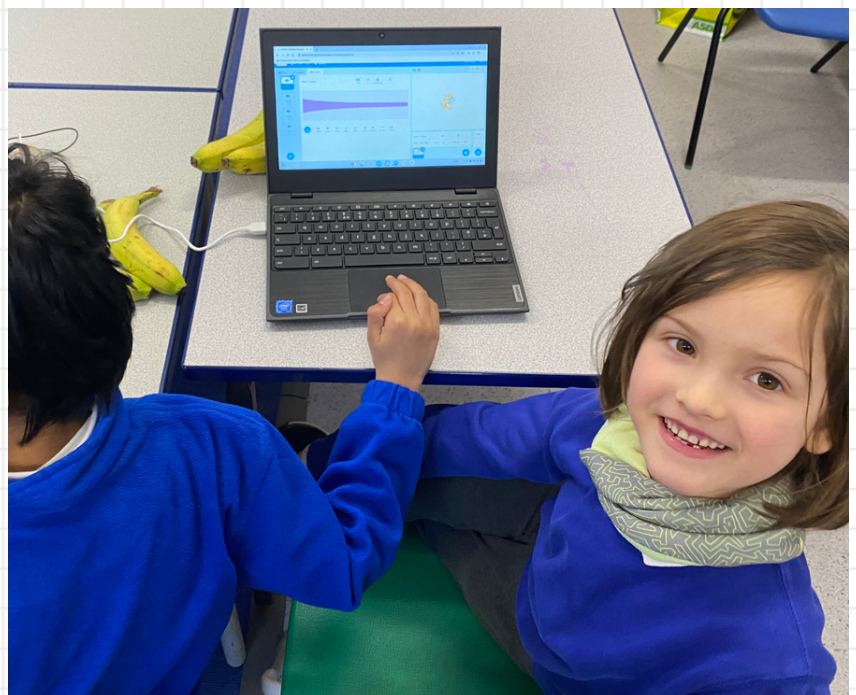

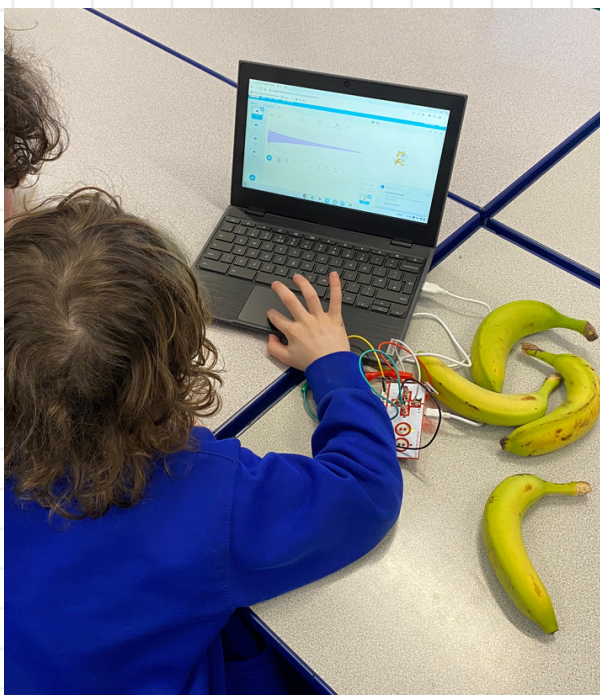

A huge thank you to all the parents and families who visited our travelling Book Fair this week and last. The children loved having the opportunity to spend their World Book Day tokens, and the Fair was very busy each day after school - thank you if you spent time queueing in the playground to come in with your children. As a result of your generous support, we will have over £3100 in book rewards to spend on books for our school library. If you missed out on the book that you wanted, you can visit [the Scholastic website](#) to purchase the book and we will receive the same rewards as if the book were purchased in the fair.

SCIENCE CLUB

Last Monday, children who attended the Science after-school club started a new STEM project. They learnt simple circuits through creating a banana piano. They used different kind of technologies which promoted their creativity thinking. One of them, called Makey Makey, is an invention engineering kit for the 21st century. It is an effective, engaging, hands-on way to introduce children to STEM principles.

In the session, the children showed a deep curiosity studying two subjects in parallel - science and computing. During the time, they enhanced their knowledge about electricity, conductors, and inductors, they also developed their digital and engineering skills. The children were enthusiastic, passionate and absolutely loved the project! Thank yous go to Ms Rumi and Ms Ogunlabi for running the club!

WINNS WEEKLY 10.3.2023

WINNS STORY WINDOW TRAIL & READATHON

The Winns Story Window Trail continues throughout March, as does our mammoth Readathon. Many families have done a fantastic job of bringing books and their exciting characters to life with some visually stunning displays. See if you can spot a few when you are out and about this weekend.

Also during March, the children @ The Winns, are reading as much as they can to raise money to refurbish their school's library, creating an amazing space for them to go on reading adventures. So far our generous families have donated a whopping £673, and we are well on our way to achieving our target goal of £1000. Well done to our children for all that reading and an even bigger well done to our fantastic families for their kind donations.

The Winns Readathon

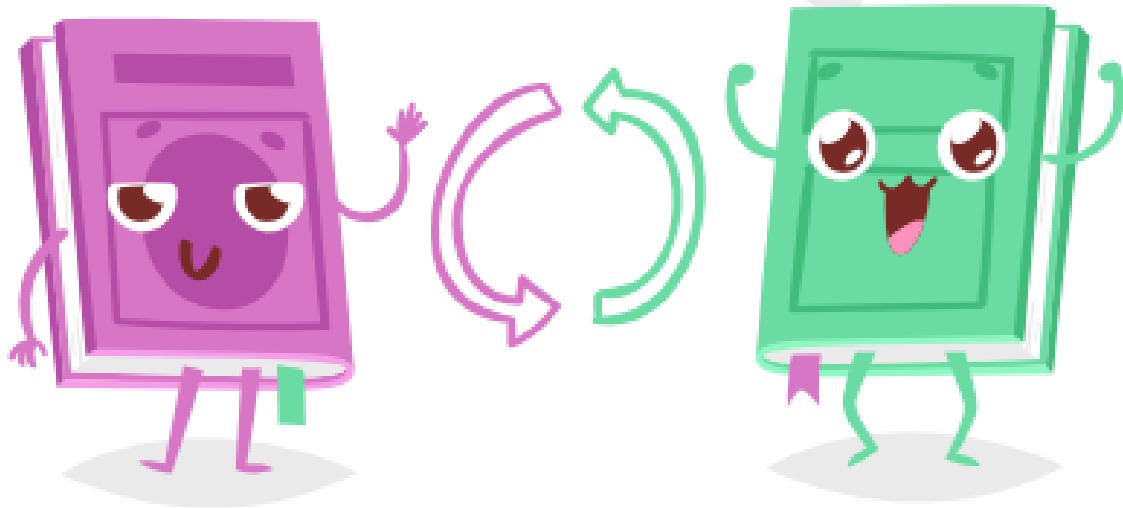

WINNS STORY WINDOW TRAIL

Bring a book from home
and swap it for a new one

Book Swap

Friday 17th March for years 3, 4, 5 & 6
