TENNIS FESTIVALS

Two tennis festivals took place at Ridgeway Park in Chingford this week - one for year 3 and 4 children, and a second for year 2 children. Our year 3 and 4 children competed against teams from other schools around the borough whilst our year 2 children took part in a carousel of fun activities designed to introduce them to the basics of tennis. Both groups of children represented the school excellently, and enjoyed themselves while developing their tennis skills. Well done everyone!

YEAR 3 TRIP TO WALTHAMSTOW WETLANDS

The last year 3 class finally had their chance to visit Walthamstow Wetlands on Wednesday afternoon after their original visit was postponed. 3LT had a fantastic time, using the learning they had completed in school about the water cycle in a real wetland habitat. The children had the opportunity to explore around the reservoirs and they also took part in bug hunting and pond dipping. As always, a big thank you to the parents who accompanied the class on the trip.

Walthamstow Wetlands host a weekly drop-in session for families from 1pm-4pm on a Sunday. The sessions are completely free and take place in the centre's outside classroom. For more information, please [visit the Wetlands' website](#).

A MESSAGE FROM FRIENDS OF THE WINNS

Second hand uniform sale - call for donations!

On Friday 12 May, a group of parent volunteers will be running a stall with pre-loved uniform & PE kit in the playground after school (weather permitting) - so we'd like to ask you to use the long weekends to go through your wardrobes & drawers and see if you have items that have been outgrown.

Please drop off clean, stain-free items at the school office. (Please no coats or shoes other than black PE plimsolls.) Don't worry about small holes or tears - we will have a team of menders who can make minor repairs. We want to encourage everyone to reduce, re-use and recycle!

If you are able to help on the stall on the day, or sort clothes in advance, we'd be really grateful - just get in touch. Email: fotwchair@gmail.com or contact your year rep.
