MESSAGE FOR PARENTS OF YEAR 6 CHILDREN

During SATs week we are asking that our **Year 6 children come in at 8:40am** each morning. This will ensure they have time to have a light healthy snack (provided by the school) and that they are settled before the tests begin. Please make every effort to **ensure that the children arrive at this time** so that they are relaxed and prepared. The children will **enter via the gate behind Mr Bishop's classroom**. This has been pointed out to the children, so they know where to go. Signs will also display where this is and staff will be on hand to assist. All other year groups will enter via their normal gates. Thank you for your support.

1JS CLASS ASSEMBLY

Well done to 1JS who finally got the chance to perform their class assembly yesterday. The audience was wowed with a fabulous display of geographical knowledge centred on the seven continents. Well done to all the children and thank you to Mr Search and Ms Julie for preparing the children so well. A final thank you to all the families who came along to support your children.

SITTING VOLLEYBALL EVENT

A group of our year 3 and 4 children attended the Waltham Forest sitting volleyball event at Peter May Sports Centre this morning. For many of our children, this was their first experience of a sports competition, with most trying sitting volleyball for the first time. Both of the teams did brilliantly, progressing from the group stage before unfortunately exiting the competition at the quarter final stage; a fantastic achievement for all the children, who represented the school excellently.

A MESSAGE FROM FRIENDS OF THE WINNS

Second hand uniform sale - call for donations!

On Friday 12 May, a group of parent volunteers will be running a stall with pre-loved uniform & PE kit in the playground after school (weather permitting) - so we'd like to ask you to use the long weekends to go through your wardrobes & drawers and see if you have items that have been outgrown.

Please drop off clean, stain-free items at the school office. (Please no coats or shoes other than black PE plimsolls.) Don't worry about small holes or tears - we will have a team of menders who can make minor repairs. We want to encourage everyone to reduce, re-use and recycle!

If you are able to help on the stall on the day, or sort clothes in advance, we'd be really grateful - just get in touch. Email: fotwchair@gmail.com or contact your year rep.

MAKING CHANGE IN THE COMMUNITY

We were delighted to hear that one of our Year 3 children had taken action to help improve their neighbourhood over the last two weeks. Oscar, from 3LG, wanted to do something about drivers using his street as a rat run to avoid traffic on Chingford Road. After a particularly close call with someone racing up the road, Oscar suggested writing a letter to the council to ask if they could put traffic calming measures on the street. He gathered many signatures from his neighbours and other local residents. The local councillor got wind of Oscar's campaign and invited him to bring the letter to the Town Hall to meet with some of the councillors. At the meeting, Oscar spoke eloquently and confidently about the issue and ways to fix it. Well done to Oscar for taking action on an issue that is important to him and others - it is brilliant to know that we have children at The Winns who care so passionately about their environment.
