Please remember to subscribe to [our online calendar](#) so that you receive automatic updates into your own calendar.

KS1 QUAD KIDS ATHLETICS

Our year 1 and 2 athletics teams were the latest to take on the Quad Kids competition at The Feel Good Centre. Competing for their best times and distances, the children acquire points for their year group team across a 50m sprint, a 300m race, a howler throw and a standing long jump. All of the children represented the school brilliantly, and we now await the results to see our final position.

YEAR 5 & 6 MINI ORANGE TENNIS EVENT

A group of our year 5 & 6 children attended the Mini Orange Tennis competition in Ridgeway Park, Chingford today. For many of the children, it was their first experience of the game. Everyone represented the school fantastically, demonstrating lots of perseverance and always playing with a smile on their face. Well done everyone!

UNIFORM REMINDERS

Names on School Uniform

A big, big plea... over the weekend please check that your child has their names on their school jumpers and jackets and as the sun shines, hats and water bottles. Every day the pile of unclaimed school uniform becomes bigger and bigger - nameless jumpers are piled up and we cannot find their owners. Often, we can see the faint pen mark of a name, once there but now washed away. Again and again, children come searching for lost jumpers but in a mass of blue, identical jumpers... it is often futile.

If you are writing your child's name on a school jumper in pen, remember to check it can still be read after it has been washed.

School Uniform Policy

Our school uniform policy states that children wear black shoes or trainers to school. We continue to have a number of children persistently coming to school wearing bright, multi-coloured trainers. This isn't fair on the children who are doing the right thing. If there is a reason why your child is wearing shoes that are not black, please come and speak to us. We do understand that sometimes there may be a reason and we may be able to help.

As the weather warms up, we ask that you continue to make sure your child is wearing the right footwear to school. Loose sandals are not appropriate for school. Children spend lots of time climbing on apparatus and running around. Loose fitting sandals or flip flops can lead to them tripping or having an accident on the climbing frames.

As the weather warms up, please send your child to school with a sun-hat (name inside please!).

Thank you for your support.

FAMILY SUPPORT OFFICER

We are very pleased to inform you that Allison Tokeley, our Family Support Officer will be returning to school on Monday. Many of you will know Allison already, but if not and you need her support, she can be contacted through the main office.

A LOCAL CHARITY NEEDS OUR HELP!

The Together Project was set up by Louise Goulden, mum to Heath, when she was on maternity leave (pictured below at a local care home in 2017). They are one of 5 finalists up for a prize of £40,000 in The People's Projects; the funding would allow them to launch five of their intergenerational Songs & Smiles music groups in the local area, bringing young children, their parents/guardians and older people in care homes together to have fun and make friends. Winners are decided by public vote, so please vote for them at <https://www.thepeoplesprojects.org.uk/projects/view/songs-smiles> and spread the word!

Help a local charity win £40,000 to spread joy & reduce loneliness!

Vote for Walthamstow charity, **The Together Project** to win National Lottery funding so we can roll out our intergenerational Songs & Smiles music groups to east London care homes. Thank you!
