RJC CLASS ASSEMBLY

RJC were our final Reception class to present their class assembly to parents and families on Thursday morning. The audience was wowed by an an exciting range of learning that the children put on display. They showed us their counting and subitising skills, played a game of "guess the animal" using descriptive writing, and even told the story of The Very Hungry Caterpillar. Well done to all the children were excellent throughout, and thank you to all of the families who along to support their children. As always, a big thank you to the adults who helped to prepare the children, especially Miss Crawford and Miss Ifrah.

WINDRUSH 75 CELEBRATIONS

The arrival of the ship HMT Empire Windrush at Tilbury docks in 1948, bringing more than 800 passengers from the Caribbean, is a moment that shaped modern Britain. On 22 June 2023 we will mark its 75th anniversary.

Windrush Day has become a key symbolic moment in the story of the Black British contribution to this country and the broader post-war migration from across the Commonwealth and beyond that helped create the modern Britain that we share today.

In school we will have activities taking place across the week to mark the 75th anniversary year and to broaden our children's understanding of how this important moment in our history shapes the future of modern Britain. We would also like to highlight the Windrush 75 Community Festival celebrations taking place across Waltham Forest this weekend and beyond. Please click on the following link for more information.

SCHOOL SHOE NEWS!

We are going to relax the rules on school shoes for the remainder of the Summer term. Children can wear shoes or sandals to school and they don't need to be black! Please do make sure that shoes are safe to run around and climb in, comfortable, and if toes are out, your child is wearing socks. If they are not wearing socks, they risk hurting their feet on the concrete as they run around. Flip flops or football boots are still not allowed.

Children can of course continue to wear their black shoes or trainers. However, no doubt some of them will be delighted by this news!

**THE WINNS COMMUNITY
DAY IS ON SATURDAY

Maybe you could find a company or organisation to contribute to the event?
We would like to thank those who have agreed to support us so far:

SCHOOL LIBRARY WISHLIST

A NEW CHAPTER

A CHILDREN'S BOOKSHOP SPECIALISING IN
DIVERSITY AND INCLUSION

Thank you very much to those families who have already donated books to our library through our wishlist - we are very grateful! The children have loved seeing the new titles in the library and we have now received over 40 individual books as donations, which is amazing! There are some extra titles being added to our list based on suggestions from the children ranging from graphic novels to adventure series, so they will have even more choice when they visit our library.

We have partnered with A New Chapter bookshop, who are hosting a wish list of books that parents and families are able to purchase as a donation to the school. If this is something that you feel you are able to do, please do take a look at the [wish list on A New Chapter's website](#). As soon as a donation is made, the books are couriered to the school and will be added to our stock straight away.

MINI TOUR DE WALTHAM FOREST

A group of our year 6 children were able to attend the Mini Tour de Waltham Forest cycling event in Jubilee Park, Leyton earlier this week. The children had the chance to improve their cycling skills and raced against other schools in a fun, friendly environment. When the children weren't racing, they visited the range of cycling-related activities on show, including pedal-powered smoothie machines, jukeboxes and a scalextric track. While we didn't bring home any of the top prizes, everyone had a great time and the children represented the school brilliantly.

A.I.M. HIGH WRITING DAY FOR YEAR 3 & YEAR 4

A group of 10 Winns Primary Year 3 and Year 4 children had the pleasure of attending the A.I.M. High Writers Workshop at Walthamstow Central Library this week. The workshop was led by performance poet and author Neal Zetter and the theme of the day was the use of imagery in poetry and the importance of effective editing. The children wrote some powerful poems in relation to the theme given, which was their fears. The children took away so many great ideas on how to improve their writing and created some fantastic poetry.

THE MAYOR'S CLEAN AIR DAY POSTER COMPETITION

Recently, children at The Winns contributed posters for the Mayor's Clean Air Day Competition to promote cleaner air and champion the fight for both our health and our planet. We are delighted to let you know that James Ansell in 3LT has been selected as the highly commended entry for Waltham Forest. This is because the shortlisting team felt that his submission was particularly creative in responding to the brief. They received over 630 entries from 83 schools, so this is a huge achievement. Well done James!

PANATHLON TEN PIN BOWLING

A group of out year 5 & 6 children attended the Waltham Forest Panathlon Ten Pin bowling event on Monday at City Pavilion, Romford. The children represented the school excellently, eventually finishing in fourth place, with plenty of strikes and spares! Well done everyone!

YEAR 6 VESTRY HOUSE TRIP

Year 6 had the opportunity to visit the Vestry House Museum this week as part of their history learning. They studied a range of artefacts from the period around WW2 that told the story of ordinary Walthamstow people and their efforts on the Home Front.

A LOCAL CHARITY NEEDS OUR HELP!

The Together Project was set up by Louise Goulden, mum to Heath, when she was on maternity leave (pictured below at a local care home in 2017). They are one of 5 finalists up for a prize of £40,000 in The People's Projects; the funding would allow them to launch five of their intergenerational Songs & Smiles music groups in the local area, bringing young children, their parents/guardians and older people in care homes together to have fun and make friends. Winners are decided by public vote, so please vote for them at <https://www.thepeoplesprojects.org.uk/projects/view/songs-smiles> and spread the word!

Help a local charity win £40,000 to spread joy & reduce loneliness!

Vote for Walthamstow charity, **The Together Project** to win National Lottery funding so we can roll out our intergenerational Songs & Smiles music groups to east London care homes. Thank you!
