### Summer Fair Notice

FOTW have asked us to give a shout out to say that a Steel Drum Workshop will begin at 12.15 and that they would be grateful for any cake donations and plain T-shirts that are brought in by visitors on the day. Thank you.

### 2CS CLASS ASSEMBLY

2CS invited a brilliantly supportive audience into the 'Winns Museum' to share their learning on Explorers. Marco Polo, Mary Anning, Sir Ernest Shackleton and Bessie Coleman were brought to life as the children reflected on how curiosity, bravery, kindness, resilience and 'being YOU' can set you up for any adventure in life! Thank you to Miss Summers and Miss Stephanie for preparing the children and to all the families who joined us for the assembly. Well done 2CS!

## YEAR 5 RESIDENTIAL VISIT TO THE HIVE

Our Year 5 children spent three days at The Hive outdoor centre in Epping Forest this week. The children had the opportunity to take part in a range of outdoor adventurous activities, including orienteering and shelter building, whilst also camping in eco-friendly pods in the heart of the forest.

## MINIATURE MUSEUM

We were very lucky this week to receive delivery of a miniature museum from the Historical Society. As part of a local history project that all the children across the school will be completing this term, we have been able to loan the museum for a few weeks to help inspire the children with exhibits that range from sports to transport. Look out for the final projects in the next few weeks!

## VISIT FROM STELLA CREASY (MP) - ENVIRONMENT WORKSHOP

Year 4 children were this week treated to a workshop on the environment delivered by our local member of Parliament, Stella Creasy. She talked about her role as an MP and how laws to protect the environment are made and the many different stages that laws have to pass before being enacted. She talked about her role in making sure that the Waltham Forest area is protected from environmental damage. The children were also fascinated by some of her stories about life as an MP.

Her interest in The Winns was a direct result of some of our Y4 children writing her a letter asking what she was doing to protect our local and national environment.

## YEAR 5 & 6 DYNAMOS CRICKET TOURNAMENTS

Earlier this week, two groups of our year 5 & 6 children had the opportunity to take part in the School Games Dynamos Cricket Tournament at Leyton Sports Ground. Both teams acquitted themselves brilliantly and represented the school excellently. Well done to everyone!
