### YEAR 3 CRICKET EVENT

A group of our year 3 children visited Leyton Sports Ground on Tuesday to receive some cricket coaching and also to take part in some friendly games against other schools. The event was part of the Rapid Fire initiative, run in WF by our School Games Organisers, aimed at getting more children involved in the game through fun and simplified games of cricket. Well done to all the children who represented the school brilliantly!

## WINNS WORLD FEST 2023

We extend our heartfelt gratitude to the dedicated parent volunteers from FOTW and our staff who worked tirelessly to make our recent Summer Fair a fantastic event. Your commitment and enthusiasm made all the difference! We also thank the wonderful families who came out to support the event. Deserving of a special mention are the year 4 girls (pictured below left) who ran their own stall which raised £78 for Children in Need - well done girls! The profit from Winns World Fest was £4,750. This includes over £1,000 received from local estate agents Completion who sponsored the event. There's still time to contribute to our summer fundraising by buying a raffle ticket. Sales are open for another couple of days (visit <https://tinyurl.com/WinnsRaffle>) and the prizes are better than ever! If you're interested in learning more about Friends Of The Winns, all are welcome to join an informal meet up at the Trades Hall on Thursday 13th July from 7pm. Thank you all for your support and making our fair a resounding success!

## End of year reports

We will be sending end of year reports home on Monday 17th and Tuesday 18th July by email. Please make sure that the school office has your most up-to-date details to ensure that you receive your child's report. We are doing this electronically to help reduce our environmental impact, however if you require a paper report, please let the office know.

## IMPORTANT SCHOOLS MEALS ANNOUNCEMENT

From September, children from Reception to Year 6 will no longer have to pay for school meals. For one year, the Mayor of London, has agreed to provide funding for universal free meals for all children from Rec to Y6. The introduction of universal free school meals is very much welcomed by schools and could save families approximately £500 per year per child.

In line with all other schools in Waltham Forest, the meat that we will be serving will be halal. This will mean that every child can have a hot meal and choose a meat option if they wish. We will continue to provide a vegetarian option each day and also meet the needs of children who are vegan.

To help us to plan ahead for an increase in numbers, we would like parents of children in current years 2, 3 4 & 5 to complete a very brief online questionnaire, indicating to us if you are planning for your child to have a school dinner in September.

## STRANGE HAPPENINGS AT THE WINNS...

We have had a very exciting week at The Winns! After the arrival of a miniature museum in our school, some unusual things have started to happen. Tiny bird footprints have appeared around our school, chirping noises have been heard in strange boxes and lots of silver, shiny things have gone missing. Thankfully some have been found, including Ms. Cosby's very expensive bracelet! Today a bird's nest appeared in our Quiet Area, made out of old books and full of old treasure! The children are absolutely determined to solve the mystery and in the true spirit of Explorers, have spent their lunchtimes searching for clues and demonstrating one of our core values... Being Curious. Old coins, half eaten berries, buttons and gems have turned up in unusual locations. The children are now putting together plans to capture the creature safely and we are all hoping for a happy ending next week! If you do see anything strange happening at the weekend, when you are walking past, please do let us know!

## TFL ASSEMBLY

A safety officer from TfL paid a visit to our Year 6 children on Friday afternoon to deliver an assembly of safe travel around London. Children learnt about the dangers posed when making independent journeys to and from school and also how to keep themselves safe during the transition to Y7. They also picked up some really useful tips on how to be responsible citizens and to ensure they are aware of priority seating on buses and trains and also how to make the right choices when confronted with a variety of different challenges.

## IMPORTANT MESSAGES - ABSENCE AND ATTENDANCE

### Attendance

The Winns Primary School is committed to supporting good attendance for all of our pupils. This is not only because it is the law, but because good attendance helps your child to get the very best from their education. **The local authority may issue a Fixed Penalty Notice if your child does not attend school regularly.**

### When they are used?

When a pupil has a minimum of 10 sessions recorded unauthorized in a 6 school week period: a school day is two sessions AM and PM. This includes any absence marked in the register as unauthorized. Persistent late arrival at school after the register has been taken and is also recorded as unauthorized by the head teacher.

### How much is the penalty?

£120 per parent per child. This is reduced to £60 if paid within 21 days.

### What happens if I don't pay?

The authority may consider instigating a prosecution in the Magistrates court for the offence of poor school attendance.

### General Absences

When leaving a voice message for an absence please can you provide a reason - saying 'not well' is not sufficient.

Please remember, for absences other than unauthorized holidays in term time, school would much rather work with parents/carers to resolve attendance issues. Thank you for your support.

## YEAR 4 CONCERT

Our year 4 children took part in one of the Waltham Forest Music Service's concerts on Tuesday afternoon. Premiering at this year's festival, the Songs of the Forest concert features a suite of songs composed by Kate Stilitz. Inspired by the Borough's natural environments, the songs are a musical journey through our wild spaces and parks, with the aim of inspiring us to explore the outdoors more often. Thank you to the year 4 team for preparing the children and well done to the children themselves who were a credit to the school!

## SPORTS DAY

We held two hugely successful Sports Days this week. Years 1, 2 & 3 took part on Wednesday, with Years 4, 5 & 6 following on Thursday. All of the children joined in the various throwing, jumping, running, balancing and dribbling activities in their teams - well done everyone for competing as best as you could and supporting your team mates. Thank you to the huge number of parents and families that attended each day - both the staff and the children are grateful for your support. The winning team will be announced next week!

## Year 6 Enterprise Day

Our Year 6 children have been hard at work designing their stalls for the Enterprise Day next week. We ask that you send your child in to school with a small amount of change (silver coins are ideal) to take part in the activities that the year 6 children are planning. Each activity will cost no more than 50p a go and all the proceeds will be put towards the year 6 leavers' party in the last week of term.

## Y1 QUAD KIDS ATHLETICS

As mentioned a couple of weeks ago, our year 1 Quad Kids Athletics team won the borough competition, beating around 20 other teams. Today, they finally received their medals - well done everyone!

## RIGHTS RESPECTING SCHOOLS

Over the last month, we have been continuing our work as a Right Respecting School, focusing on Article 32. Our children have produced a range of work that links to this article, from posters explaining what Article 32 is to collaborative pieces of work.

### ARTICLE 32: EVERY CHILD HAS THE RIGHT TO PROTECTION FROM HARMFUL WORK

Our final article of the month for this academic year is Article 13:

### ARTICLE 13: EVERY CHILD HAS THE RIGHT TO SHARE THEIR THOUGHTS FREELY
