YEAR 5 ART WORKSHOP

Year 5 took part in an art and poetry workshop this week delivered by local street Angry Dan, who is famous for his colourful murals and limericks around Walthamstow, London and other cities around the world. Dan led a limerick-writing workshop where the children each produced their own short poems, before creating artwork based on a topic that each child was passionate about. More information about Dan and his work is available on [his website](#).

HEADTEACHER'S MESSAGE

Dear families,

As we rapidly approach the end of the school year, I want to say a huge thank you to all the children, staff and families who have made 2022/23 such a fantastic year. It has been a really busy year but a great one for us. Our Ofsted inspection in January went really well and we have continued to grow as a school, always reflecting on ways to give our children new opportunities and experiences. Trips, concerts, sports events, after school activities and residential stays have all added some really rich experiences to our curriculum. Our year 6 children have achieved really well in their end of year SATS and across our school it has been lovely to see our children growing in confidence and taking a full and active part in our bustling school community.

We have had huge support this year from our parent community. Friends of The Winns - you have been incredible and I want to say thank you to every single parent who has helped or contributed in some way. Some of you have given up so much of your time to the school and every minute has been appreciated. Your fundraising efforts have helped us hugely, as has your support in the development of our library.

I know you will agree when I say that the staff at The Winns are brilliant. They do an incredible job every day, ensuring our children feel safe, cared for and are enjoying learning. I spend a lot of time in classes and I see how much our staff care, not just about children's academic development but also their emotional well-being. Sadly, we are saying goodbye to some members of staff this year, as they move on in their careers. We would like to take this opportunity to thank them for all their hard work and support over the years and wish them all the best for the future. Leaving us are: Yvonne Hunte in Nursery, Jeremy Calnan and Layo Ogunlabi in Year 5 and Laura Powney in Year 1. We are also saying goodbye to Anna Gordon and Belinda Skippers, two teaching assistants who have supported lots of children so well across the school over the years. You will all be very much missed.

Hopefully we will see you all next week in school as we count down to the last day.

Best wishes

Fiona

YEAR 6 ENTERPRISE DAY

Our Year 6 children held their Young Enterprise afternoon on Tuesday. Each of the children worked in groups to create stalls which all of the other children in school had the chance to visit across the course of the afternoon. There was a fantastic atmosphere on the playground with everyone having lots of fun and winning lots of prizes. The year 6 children were raising money for their leavers' party at the end of term, so a huge thank you to all the families who sent their children in with some money to support this event.

RECEPTION INTERNATIONAL DAY

Our Reception classes celebrated International Day today. All the children came to school in clothing that represented a country of their choosing. It was fabulous to see so many bright colours from all corners of the world! There was also a huge selection of food from around the globe for the children to try. Thank you to all our Reception families for your support in making the day happen and especially for anything that you cooked!

RCS WETLANDS TRIP

RCS visited the Walthamstow Wetlands this week to investigate the habitats, wildlife and plants. Thank you to all the parent volunteers who came along to help on the trip!

Dogs on the playground

A polite reminder to all families that we cannot allow dogs onto the school playground. Thank you for your co-operation.

BROGGAN UPDATE

I am sure you will all be relieved to know that the Broggan is safe! After some dramatic events, involving a magpie yesterday, we managed to lure the Broggan back to 'the box'. Our school is full of brilliant detectives who love a mystery - their imaginations know no bounds! Our assembly yesterday will be remembered for a long time!!

Our museum will now be returned to the Historical Society where it will be stored for many years in the vault where it originated from. Our little broggan will be looked after and will be very happy and definitely safe. No more missing treasure or footprints at The Winns!

SUMMER MUSIC CONCERT

Our choirs performed alongside children that have been receiving ukulele and guitar tuition from Front Row Music on Thursday evening. It was a fabulous way to end the year, with all the children showing their increasing confidence to perform in front of an audience. Thank you to all the families who came along to support the children. A huge well done to all the children as well as Kayda for her time and effort in leading the choir this year, plus Howard and Oscar from Front Row Music for preparing the instrumentalists.

BRASS AND PIANO PERFORMANCES

We were treated this week to some incredible performances by different musicians to help inspire our children to continue learning an instrument. Our year 3 & 4 children met Maxim Lando, an American pianist who works with the Lang Lang Foundation (the charity that funds our whole class keyboard tuition), whilst year 4 & 5 received a visit from the National Youth Brass Band ensemble. Both sets of musicians were very well received and some of the children even got to showcase their own skills in front of an audience. Well done everyone!
