MADE FROM SCRATCH PLAYGROUNING PROJECT

Groups of children from across the school including our some of our School Council and Eco Reps have had the chance this week to work with Made From Scratch, the company responsible for designing and creating our Early Years playground. Made From Scratch are beginning the design process to remodel our main playground and were gathering the children's ideas to feed into this process. Well done to all the children who shared the creative ideas!

WINNS WEEKLY 23.2.2024

YEAR 1 ART SCULPTURE PROJECT

As part of their learning in art and design, year 1 have been using recycled newspaper and bright colours to create a collaborative spider sculpture. What great team work!

4EB CLASS ASSEMBLY

4EB were the latest class to dazzle us with a fabulous production when they performed their class assembly to parents and families on Thursday morning. We found out all about the Anglo-Saxons, and how they continue to influence our lives today. The children had learnt their lines well and performed them brilliantly. The audience was especially impressed with their rendition of Shakira's 'Try Everything' to exemplify the positive attitude they try and display every day in class. Well done to 4EB and to Miss Bairstow and Miss Karina for preparing the children so well, and thank you to all the parents and families who came along to support your children.

OUR VISION IN ACTION

Belonging - There is nothing better than working as a team when preparing and delivering a spectacular class assembly performance. That's exactly what our two classes did this week when they shared their curriculum work with parents. Well done 5BB and 4EB!

Growing - Just as our children continue to grow and develop into well-rounded individuals here in school, so do our surroundings. You may have noticed the planters around the school just beginning to reveal the first shoots of beautiful daffodils and other spring flowering plants. All down to the hard work of our children who attend gardening club.

5BB CLASS ASSEMBLY

Well done to 5BB who performed their class assembly to parents and families on Wednesday this week. We were treated to a whistle-stop tour of medieval Britain and the monarchs who ruled the country to varying degrees of success! We all enjoyed to exciting performance, especially the carefully crafted royal rap. Well done to all the children, and a big thank you to Miss Boakes and Daria for helping to prepare the children so well. Thank you as always to all of the families who came along to support your children.

OUR VISION IN ACTION

Exploring - Children from all year groups have been exploring the new playground equipment that we have recently bought. We have new scooters, trikes, wooden construction materials, along with rubber tyres and new sports equipment for use across the lunchtime period.

Achieving - As we approach our end of spring assessment period, we have noticed how far our children have come in terms of the new knowledge and skills they have learnt. They are using and applying this knowledge to demonstrate a great understanding of key concepts and ideas across the curriculum.

BOYS FOOTBALL TOURNAMENTS

Well done to all the boys who attended the latest WF School Sports Network tournament this week. Two year 5/6 teams took to the field on Tuesday; Team Black persevered and showed great resilience throughout their games, culminating in a hard-fought draw against our more experienced Team Blue. The final table had Team Blue in third place earning them bronze medals. On Friday, it was the turn of our year 3/4 team who earned a win and three very closely fought single-goal losses. Well done to all the boys who took part and represented the school fantastically.

ADVANCE NOTICE OF EARLY YEARS CLOSURE - THURSDAY 2ND MAY 2024

Early Years (Reception and Nursery) will be closed to children on Thursday 2nd May. There is an election for the Greater London Assembly on that day and a portion of the school will be used as a polling station. Year 1 tea time will be running on this day, but will move location. Further details will follow.

STORY WINDOW

Trail

2024

Final call for Winns Window decorators!

The trail's aim is to promote reading and to support the school's activities around World Book Day.

Decorations can fall along any book theme – a book you love in your home, a favourite character from a book. It's a great opportunity for kids and their carers to get creative.

Window decorations ideally would be ready for the **1st of March** and remain up to and including the **31st of March**.

We will email you a Winns blue plaque to print, cut out and stick in your window alongside your design. We can make print-outs available for you if printing one out at home isn't an option.

The trail is open to all postcodes!

A Google map of the Winns story window trail will be created and shared for kids and carers to enjoy.

All we need to know is, would you like to join in?

If it's a yes, email fotwvictoria@gmail.com by **Thursday the 29th of February** with your name, address and postcode.

Thanks Everyone!

SEND Family Support Groups - Spring Term 2024

Open to parents and carers of children aged 5-18 with SEND in mainstream schools in Waltham Forest. Come along and share experiences, discuss ideas, explore resources and develop a support network. All led by specialist Advisory Teachers.
