WELL DONE YEAR 6!

To our amazing Year 6 children.

We wanted to say a huge well done to you all for the resilience, commitment and maturity you have shown during SATs week. From being here on time every day, making transitions from one class to another seamless and always going about it with smiles on your faces. You have made us proud in so many ways, but mostly for just being the wonderful people you are. We hope you had a great time in Lloyd Park today and were able to let off some steam. Have a lovely relaxing weekend and..... keep on smiling! 😊

OUR VISION IN ACTION

Belonging - We often call upon the expertise of our parents to help support various events and initiatives, fostering a strong sense of community and belonging within our school. From volunteering to help out with trips, to giving up time with FOTW, we are always grateful to the "Winns family" for their help!

Growing - Our extra-curricular and enrichment activities, including trips and clubs, continue to help grow and nurture our children's confidence, fostering curiosity and a love for lifelong learning across a range of topics and subjects.

YEAR 4 CRICKET

This term, our enthusiastic Year 4 students have been immersing themselves in exciting cricket sessions! Under the guidance of coaches from Platform Cricket, they have shown remarkable improvement in their batting, bowling, and fielding skills. Their hard work has not only honed their cricket abilities but also fostered a sense of sportsmanship and camaraderie. We are incredibly proud of their progress and look forward to seeing their continued growth as the sessions continue. Keep up the great work, Year 4!

YEAR 2 EPPING FOREST TRIP

Year 2 today attended the "Plant Detectives" workshop in Epping Forest, led by the Epping Learning team. The children enjoyed fun games and activities, learning about different parts of plants, their needs, and how to identify various trees. Surrounded by nature, the children played the "plants' needs" game, explored parts of the plant activities, and practiced plant identification. It was an enriching, hands-on experience that deepened their understanding of the plant world. A massive thank you also to all the parent volunteers who supported the trip!

MENTAL HEALTH AWARENESS WEEK 2024

This year's Mental Health Awareness Week at our school was a tremendous success! The week has featured insightful assemblies and engaging in-class sessions. Students learned valuable strategies for managing stress, recognising emotions, and supporting each other. Not only during this week, but throughout the year, all of the staff at The Winns work with the children to help create a positive and open environment, encouraging everyone to prioritise their mental health. The activities fostered a greater understanding and awareness, ensuring our school community remains a supportive space for all.

FRIEND OF THE WINNS - 30K FOR BETTER PLAY

Bag Check Alert!

Your child's bag will contain their sponsorship form for next week's '30 things', which the children will be doing to help towards raising £30k for the renovation of the main School playground. Each child will have the opportunity to participate in at least one event at school but keen fundraisers are welcome to do extra challenges outside school hours. So, pass the form to your family, friends and neighbours and let's get started! Donations can also be made online here:

RECEPTION TRIP TO THE WILLIAM MORRIS GALLERY

Our Reception classes have enjoyed their trips to the William Morris Gallery over the last few weeks. They learned about his famous prints and even created their own patterns! The children were inspired by Morris's intricate designs and thoroughly enjoyed the hands-on experience, showcasing their creativity and artistic talents. A huge thank you to all the parent volunteers who came along with the children!

YEAR 5 TRIP TO HACKNEY EMPIRE

Year 5 visited the Hackney Empire this week to see the BBC Symphony Orchestra in concert. The children were amazed by the powerful performances and diverse range of instruments. This enriching experience not only deepened their appreciation for music but also inspired many budding musicians. The interactive session with the orchestra members provided unique insights into the world of professional music, making the trip both educational and inspiring for our young learners. Maybe one of our children will be on stage one day, too!

OUR VISION IN ACTION

Exploring - We are looking forward to a whole host of workshops and trips in the coming weeks for our children. From Teddy Bears Picnics, to Dance Workshops, to cooking lessons, everyone will have the opportunity to explore a new experience and try something new.

Achieving - A huge congratulations to our year 6 cohort who have completed their end of Key Stage 2 SATs this week. Their perseverance, resilience and determination have truly paid off. We are incredibly proud of each and every one of you - well done!
