Y4 COSMETIC CHEMISTRY WORKSHOPS

This week, 4EB and 4KB embarked on an exciting educational trip to the L'Oréal Young Scientist Centre at the Royal Institution. The students had a fantastic time applying their chemistry skills to create bath bombs and lip balms. Their enthusiasm and creativity were truly inspiring. A warm thankyou goes out to the parents whose support made this trip possible. Your involvement is greatly appreciated!

Looking ahead, 4MH is eagerly anticipating their turn to participate in the workshop on Monday. We can't wait to hear about their experiences!

OUR VISION IN ACTION

Exploring - Well, our Year 6 children have definitely been exploring all the wonderful Pembrokeshire countryside this week. They have settled into their roles as young farmers; lending a hand milking goats, feeding calves and conducting the daily sheep checks. Well done!

Achieving - As we near the end of term, our teachers are getting ready to report on your child's progress across the year. When we all look back we can only marvel at what they have achieved academically and how they have developed as individuals.

YEAR 6 RESIDENTIAL VISIT TO TREGINNIS

Our Year 6 children have had an unforgettable week living and working on the most westerly farm in Wales. As you can see from the photos, they embraced the many tasks that are essential on a working farm, whilst at the same time enjoying the beautiful surrounding countryside. every single one of them could have earned the prestigious "Farmer of the Week" mantle! Hopefully the photos give you an idea of both how hard the children have been working and how much fun they have had over the last five days. For the full album of photos please [visit the school website](#).

OUR VISION IN ACTION

Belonging - Throughout the school year we encourage our older children to support some of the younger year groups. For example, our sports ambassadors help out by supporting one-off sporting events like the Reception mini-sports day next week. This fosters a real sense of belonging.

Growing - It's that time of year when we begin to think about our children moving onto their next year group. They have made great progress and as they transition we make sure they have all the support in place that they need.

SCHOOL GAMES MARK - GOLD AWARD ACHIEVED AGAIN!

We are delighted to announce that we have achieved the School Games Mark Gold Award for the 2024/25 academic year. The School Games Mark is a Government-led award scheme which launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

With a total of 327 children attending inter-school competitions, events and festivals this year, we are extremely proud of our pupils for their dedication to all aspects of school sport. As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

A special thanks to Coaches Kiyle, Sim and Shannon from KDW Sports for helping us get to this point on our School Games journey.

2LT'S DINOSAUR DELIGHT!

On Wednesday, 2LT dazzled parents with an extraordinary class assembly that showcased their impressive knowledge of dinosaurs and fossils. The young palaeontologists took us on a journey through various geological periods, sharing fascinating facts about dinosaur habits and feeding patterns. Their depth of understanding was truly remarkable. A highlight was learning about the pioneering palaeontologist Mary Anning, whose contributions significantly shaped our understanding of prehistoric life. The children presented in-depth

research from their non-chronological reports, demonstrating not only their grasp of the subject but also their ability to convey complex information clearly and engagingly.

The assembly wasn't just informative; it was also filled with vibrant singing and dancing, adding a joyful touch to the morning. The energy and enthusiasm of 2LT were contagious, leaving parents both impressed and entertained. A big well-done to 2LT for their hard work and an unforgettable assembly!

YEAR 6 TREGINNIS ALTERNATIVE

Well done to our group of year 6 children who took part in an alternative curriculum in school this week while their peers were away. They had the opportunity to visit Lloyd Park earlier in the week and then got creative with some art activities on Friday.

TOUR DE WINNS SPONSORSHIP OPPORTUNITY

FOTW need your help

The opportunity

We have a fantastic fundraising opportunity come in to raise £1500 for the school via a local building company Plus Rooms, <https://plusrooms.co.uk/>

They are interested in sponsoring this Summer's 'Tour De Winns' kids cycling event happening on the 20th of July from 11am-1pm. They are offering the school £30 per sponsorship board if we can find 50 sign hosts. We are coming out to you first as you are already on a super sign sponsor for the Winns.

The Complication

This sum is much larger than usual because the time the sign would need to be up, would be 6 weeks, double the time most signs are up for! You have all kindly sponsored a sign for the summer fair so I am aware that there may be sign fatigue being experienced. And the other challenge, in this sponsorship one-off, because this building company specialises in rear extensions, they have specifically asked for houses rather than flats to host a board and so we are limited in the number of sponsors we can reach out to across the school community. These houses need to be in the E17 postcode.

The practicalities

Your board from the Winns fair would come down by the 10th of July. If you were to take a Plus Rooms sponsored board for the Tour De Winns, it would go up:

12th of July and come down the 23rd of August

Or

15th of July and come down the 26th of August [this date set is more likely]

Signs need a clear space to be attached or erected [so no other signs in the front garden space

As ever, only addresses and full postcodes are shared and held for the course of the sponsorship period. Plus, homes adhere to GDPR protocol and do not contact you for marketing purposes.

Answer

We really need your help!

So, the questions are:

-Would you be open to hosting a board for six weeks over the summer holidays?

OR

-Do you know someone who lives in a home in the E17 postcode who would happily host one?

If you or you do, please email fotwvictoria@gmail.com by Thursday 4th July to say you are in! We are using an opt-in process to make sure anyone taking a sign over the summer holidays is happy to do so

Very best wishes and thanks.
