

Teatime Club Newsletter

Now that the sun has finally begun to shine and the rain has begun to fade, it has been a perfect time to start using our summer equipment. It has been lovely seeing the children's hockey skills improve and how much fun all of our year groups are having when playing volleyball. Their accuracy has greatly improved and we are seeing less and less children hit the ball into the net!

With the increase in temperature, we regularly remind the children to have a drink throughout Teatime Club to help keep them hydrated. To ensure they are also protected from the sun, could we ask all parents to make sure their child is wearing sun cream and that they bring an appropriate hat to school (Please make sure their name is in their hat, so we know who to return it to should they put it down!)

Dates for Diaries

Teatime Club will be CLOSED on the last day of term (Wednesday 24th July 2024)

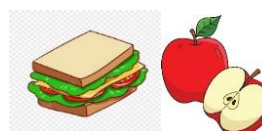

Changes

Please note, that we cannot at this time increase anyone's spaces. However, if you would like to decrease your days in September please let us know by July 5th, as we will not be able to accommodate any changes to your child's placement in the first 4 weeks in September. Thank you.

If you have arranged for someone else to collect your child from Teatime Club, please email us before 3pm.

If there are any last-minute/ emergency changes, please send us an email or call the school directly.
