

NURSERY NEWS 14

Our adventure to Grow Wild was truly wonderful, providing the children with opportunities to be both adventurous and creative alongside their friends. We practiced our songs and delivered a memorable concert that I'm sure you'll agree was performed splendidly by the children. We've been diving into the world of air transport, exploring hot air balloons, planes, and helicopters. There's been lots of drawing and our drawing skills have seen remarkable improvement throughout the year. On warm days, we set up an ice cream shop outside, engaged in crafts, and enjoyed imaginative role play—delicious fun! As we near the conclusion of our Nursery year, we find ourselves reflecting on countless cherished moments; the children have grown and learned tremendously. We are very proud of all of them!
