YEAR 6 BOYS FOOTBALL TOURNAMENT

Our Year 6 Boys football team competed in the Borough competition this week. They earned one win, two losses and a draw in their group games, conceding some very unfortunate late goals in two games. Unfortunately, this meant the boys didn't qualify for the knockout rounds, but they represented the school fabulously nonetheless.

YEAR 5 & 6 QUIDDITCH FESTIVAL

A small group of our year 4 & 5 children were very lucky to be amongst the first in the borough to experience a Quidditch festival today. The children had the chance to learn the rules, and practise their skills, and play in small, fun games which are designed to enhance a range of physical skills. Well done year 4 & 5!

BLACK HISTORY MONTH UPDATE

We were delighted to welcome former parent Carol David back into school this week to cook with our Year 5 and Year 6 children. Carol led a wonderful session making fried Jamaican dumplings, along with a few other delicious treats that everyone enjoyed tasting!

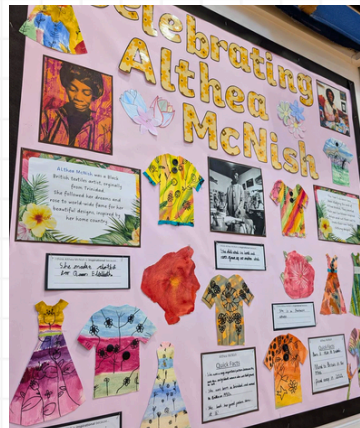

As she cooked, Carol shared her early memories of coming to England from Jamaica and spoke about how life in Walthamstow has changed over the years. The children listened with great interest, asking thoughtful questions and learning more about the local community's rich history and culture.

We are so grateful to Carol for giving up her time to spend the morning with us – the children absolutely loved it!

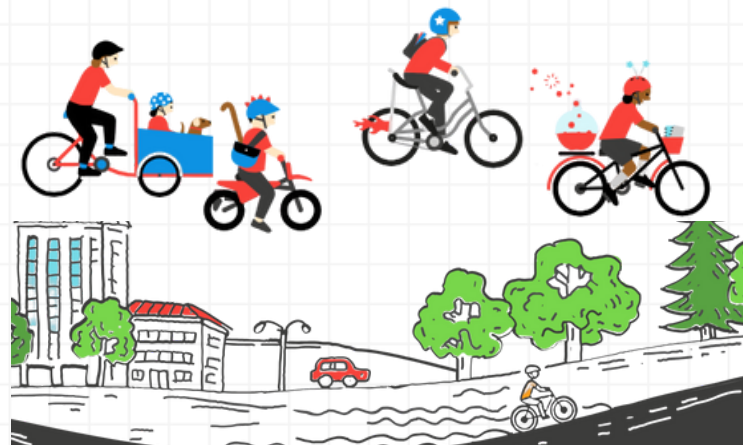

Across other areas of the school, Year 2 have been working on some fabric painting inspired by Jean-Michel Basquiat, while Year 3 have been learning about Althea McNish and Olivia Dean, and Year 4 have been exploring their hopes and dreams.

This work and more will be on display across the different halls so while you are in school for parents evening appointments, please do take a look at some of the lovely pieces of work that are on our display boards.

CYCLE TO SCHOOL WEEK 2025

This week is Cycle to School Week, and it's wonderful to see more children – and staff – choosing to travel to school by bike. The number of cyclists in our school community continues to grow each year, and it's fantastic to see the bike racks full after morning drop-off. This reflects our shared commitment to being a sustainable school and promoting healthy, environmentally friendly ways to travel. Keep pedalling!

FRIENDS OF THE WINNS NEWS

WE NEED 40 MORE HOMES TO SIGN UP: CAN YOU HELP?

We're delighted to partner with Plus Rooms, specialists in house extensions, for this year's **Winter Fair on Saturday 6th December 2025**. Their generous sponsorship could help raise £1,500, keeping the fair cost-neutral so every penny spent directly supports FOTW.

We need **another 40 houses** in Waltham Forest to host a sign for **6 weeks**, earning **£30 per sign**. Our sponsor Plus Rooms specialises in rear house extensions, hence we're looking for **houses-not flats-to host signs**) and with a space to securely place a sign in their front area. Renters can join too with landlord permission.
