# WINNS NURSERY NEWSLETTER 2

In Nursery, we've been quite busy talking about our families and sharing photos of our own. We've explored our life journeys and learned about growth and aging. Sharing baby photos led to a fun game like "Guess the Baby." Outdoors, we delighted in making music with dancing ribbons and a variety of instruments. We prepared meals for our families in the toy kitchen and took our baby dolls for strolls in the buggies. Exciting new toys arrived, allowing us to enjoy painting at our new easel, playing basketball with a hoop, and exploring new construction sets.
