

# NURSERY NEWS 5

## Books

Bear Snores On  
Whatever Next  
Non fiction space books

## Reminders

if you need to make changes to your days or  
you have any other administrative nursery  
queries please use email  
[office@winns.waltham.sch.uk](mailto:office@winns.waltham.sch.uk)

For queries and communication with the  
nursery team please use  
[nursery@winns.waltham.sch.uk](mailto:nursery@winns.waltham.sch.uk)

Clothes for cold weather: Please remember to label everything. Mittens are ideal for nursery as they are easy to put on. If your child wears gloves, please ensure they know how to put them on independently. An idea, is to sew your gloves to a string that can fit through the sleeves.

## Updates and News

Coming Up: Next we will base our learning on Journeys in favourite stories: We're going on a Bear Hunt and Rosie's Walk.

### Important Dates:

Our **Christmas Show** is Wednesday 3<sup>rd</sup> December at 2.45pm. All children will join in, including morning children and children who do not usually go to Nursery on Wednesdays.

**Christmas Party** is the afternoon of Thursday 17<sup>th</sup> December. All children can join in.

Further details of these special events will be in a separate email.

We've been exploring the fascinating world of hibernating animals. We learnt about hedgehogs and other hibernating creatures found in the UK. We read a delightful story about a bear waking up after a long period of hibernation. Our curiosity then took flight as we delved into the wonders of Space! We read the brilliant moon journey story: Whatever Next! We've learnt so many space facts and we've engaged in plenty of imaginative dress-up and role play in our space zone.

Our writing and drawing skills blossomed as we wrote a letter to Santa. Following this, we had a local walk to the postbox, where we made our special delivery. We've also been constructing bridges using train tracks and blocks, practicing writing our names on all our beautiful creations.

## WOW MOMENTS
