

NURSERY NEWS ISSUE 7

We've embraced a whirlwind of festive joy! As we journeyed through the pages of "Stickman," we reflected on his feelings along the way. Together with friends, we revisited the tale, bringing our Stickman and Santa toys to life, revelling in our knowledge of the story. We also explored the tales of "The Gruffalo's Child" and "The Jolly Postman," and enjoyed making our own letters, posting them in our large postbox. Our artistic skills developed with pictures and collages from our stories. We have been exploring shapes too and can name and describe many shapes. Our culinary adventures led us to bake charming gingerbread men. We made personalized Christmas cards, salt dough decorations and calendars for you, we hope you love them as much as we do. We sung a song about the months of the year and noticed when it is our birthday. To top it all off, we celebrated with a joyous Christmas party, where the jolly Santa made a special appearance!
