

NURSERY NEWS 10

Books

International Tales from around the world-Yoshi the Stonecutter, Tiddilick, The magic Paintbrush, How the elephant got its trunk. Billy and the Daragon. George and the Dragon.

We've had a busy and exciting few weeks in Nursery since half term! We learned about Lunar New Year and enjoyed creating colourful decorations and dragon dances. In literacy, we continued our work on traditional tales by reading stories from different cultures, including The Magic Paintbrush (China), Yoshi the Stonecutter (Japan), and Tiddalick the Frog (Australia). Dragons was our next focus with small world play and dragon stories! We used all our knowledge of traditional tales to create our own stories with giants, princesses, dragons and much more. During Science Week, the children loved taking part in hands-on experiments such as colour mixing, floating and sinking, magnet investigations, and even watching volcano eruptions. They showed fantastic curiosity and observation skills. With the warmer weather, we've really enjoyed returning to the mud kitchen and observing our spring bulbs blooming, sparking lots of talk about nature and the changing seasons. In the middle of all this fun, we had a Book Week with a walk to the local library and a story teller visit-wow.

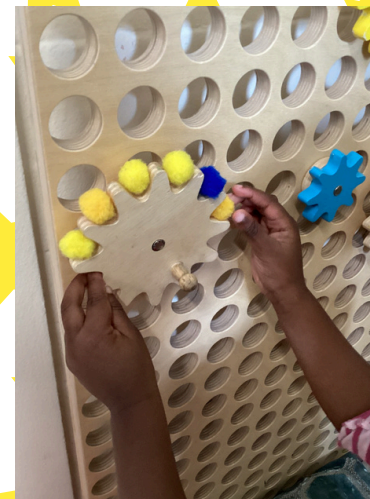

WOW MOMENTS

NOTICES

We will send home your child's bag of spare clothes before Easter so you can replenish and replace any clothing if necessary. Please return on the first day of the summer term.

Please ensure your child's long hair is tied back. This is school policy. Please regularly check your child's hair for headlice as this has been reaccuring this term.
