AN ANGLO-SAXON ADVENTURE WITH 4LT!

This week, 4LT transported us back in time with a spectacular class assembly focused on the incredible archaeological discovery of Sutton Hoo. The children brought history alive, confidently sharing the fascinating story of the 1939 excavation in Suffolk, where an Anglo-Saxon ship burial and magnificent treasures were unearthed. Their clear narration and enthusiastic acting demonstrated a superb depth of knowledge about Anglo-Saxon life and culture. A huge well done to 4LT for such an educational and engaging assembly! Thank you to Ms Tassell and the team for preparing the children so well and to all the families who came along to support the children.

A WEEK OF SPORTING SUCCESS!

What a spectacular week of sports days! From our youngest competitors to our oldest, every child showed incredible determination and team spirit. KS1 and KS2 took part in their days on Tuesday and Wednesday at George White Sports Ground (thank you as always to Globe Rangers FC for hosting us) and our Reception classes filled the school playground with joy and energy during their very first sports day events on Friday. A massive thank you goes to our fantastic Year 5 sports helpers, who did a brilliant job setting up equipment, cheering on the younger children, and keeping everything running smoothly.

Finally, we extend our gratitude to the Friends of The Winns (FOTW) for organising the fruit and water stall - keeping our athletes hydrated and energised on both days!

YEAR 3 DESCEND UNDERGROUND!

Year 3 had an unforgettable adventure last week on their trip to The Postal Museum! The day kicked off with an interactive workshop, where the children discovered how written communication has evolved over the centuries, showing fantastic curiosity and asking excellent questions. The absolute highlight of the trip was descending beneath the streets of London to ride the historic Mail Rail. Boarding the miniature underground trains and traveling through the 100-year-old narrow tunnels gave our young explorers a real taste of hidden history. Thank you to our parent volunteers for helping make this fantastic trip possible!

SPURS COACHES INSPIRE OUR YOUNG ATHLETES!

Over the last few weeks, we have been thrilled to welcome professional coaches from Tottenham Hotspur Football Club to our school. They have been running fantastic, free coaching sessions for our Year 2 to Year 6 children, helping them develop their football skills, teamwork, and confidence. The energy in the hall has been amazing! Please check this week's bulletin for information on how to sign up for coaching sessions run by the club outside of school.

SPORTS DAY

A huge thank you to everyone who **helped support the FOTW fruit and water station** at this week's Sports Days.

Across two brilliant days, our volunteers served **watermelon, orange, cucumber and fruity water** to children, teachers and TAs alike, helping to keep energy levels up and hydration high during the hot weather. This initiative is funded by FOTW.

A special thank you to our fantastic volunteers: **Ana, Lauren, Joe, Gaele, Eleanor, Sophia, Janqui, Miranda and Toby.**

And no FOTW Sports Day would be complete without the **ever-present support of Mr Jones.**

Whether calmly manoeuvring a malfunctioning gazebo or helping get equipment set up and packed away - all whilst running Sports Day itself - thank you for everything you do.
