MANAGING THE HEATWAVE: A MESSAGE OF THANKS

We have faced exceptionally high temperatures this week, presenting a significant challenge for our entire school community. We are incredibly proud of how well our children adapted, maintaining a positive attitude despite the difficult conditions.

An extended thank you must go to our dedicated staff for ensuring the school continued to run safely and smoothly. We are immensely grateful to our teachers, support staff, extended day and lunchtime teams, admin staff, cleaners, premises team, and our kitchen staff. Their hard work and resilience ensured the environment remained comfortable and supportive for the children throughout the week.

We hope that all children, families, and staff have the opportunity to rest and stay cool over the weekend. We look forward to welcoming everyone back on Monday in much cooler temperatures!

WHAT'S COMING UP FOR SUMMER?

The end of term may be fast approaching and there's no sign of FOTW slowing down. **A registered charity, here to support our brilliant school, teachers, staff, kids and their carers**, we support school initiatives, fundraise and from there provide opportunities for people to donate their skills, time and from there, meet, connect, make new friends and forge great memories.

We're all Friends of the Winns.

READATHON

Children of The Winns, and the parents and carers who supported you - **you aced it!**

HERE COMES THE SUMMER FAIR!

The FOTW Summer Fair returns on Saturday 4 July, 12-3pm, and what an afternoon we have planned!

Games zones, inflatables, music performances, street food, café and bar offerings, crafts, books, toys, local businesses and much more - all coming together to create a brilliant day for children, families and our wider community. And it takes an **army of incredible volunteers** to make it happen. sent during the week commencing 29 June.

Data Crunch Time!

Vic and Bisi have been doing some **volunteer number-crunching** and the results are fascinating.

Across the fair there are:

- **295** individual volunteer slots
- **200** slots needed for the fair to operate comfortably

Having all slots filled means volunteers can **take breaks, enjoy the fair themselves and provides cover** for illness or family emergencies. **See next page...**

100 Volunteers. One Brilliant Summer Fair.

Could you be one of them?

43 of you have already signed up - thank you! We're now **looking for another 57 volunteers** to help us reach **our goal of 100**. Whether you can spare **45 minutes, an hour or a couple of shifts**, we'd love to have you on the team.

You could help with...

Café • Bar • Raffle • Crafts • Preloved Uniform • Games Inflatables • Books & Toys • Set-up & Pack-down

Volunteering also means we can give everyone **proper breaks, cover unexpected absences** and enable **volunteers to enjoy the fair** with their own families too!

The Summer Fair is one of the biggest events of the year - but it only happens because parents and carers make it happen.
