A TRIO OF ASSEMBLIES: ELM, CEDAR & NURSERY

Our final class assemblies of this year brilliantly showcased our children's learning and confidence. Nursery delighted audiences by beautifully singing a wonderful selection of classic and contemporary nursery rhymes.

We then took flight through a fantastic year of learning with two Reception classes. Elm Class hosted a brilliant London transport-themed journey, while Cedar Class welcomed everyone aboard "Cedar Airways" for a creative look back at their achievements. Thank you to all the families that came along to support the children at each performance. Well done, everyone!

SUMMER FAIR THANK YOU

A huge thank you to everyone who came along to the Summer Fair last Saturday. It was a fabulous community event, with so much to see and do, including music performances, food and drink, and games. None of it would have been possible without the amazing team of parent volunteers who make up Friends of The Winns. Their dedication and hard work throughout the year have created a fabulous set of events that have been enjoyed by all. We are incredibly grateful for their time and effort, as well as for the contributions from local businesses who generously supported the fair with donations and sponsorships.

RECEPTION PUMPHOUSE MUSEUM TRIPS

This week and last, our Reception classes visited Walthamstow Pumphouse Museum. The children enjoyed exploring different forms of transport from the past, including an old London Underground train. They were excited to learn about how people travelled many years ago and had the opportunity to look closely at a historic fire engine and firefighter equipment. The visit was a fantastic way to bring our learning to life, and the children showed great curiosity, enthusiasm, and excellent behaviour throughout the trip. A big thank you to the parents who volunteered to help on the trip. Your support made the day possible, and we greatly appreciate your time and assistance.

CREATIVITY WEEKS: OUR WHOLE-SCHOOL ART EXHIBITION

Our recent Creativity Weeks culminated in a spectacular school-wide exhibition exploring the powerful theme of **belonging**, one of our core school values.

In Early Years, Nursery children looked at Kandinsky's circles to express feelings of safety, while Reception used Romare Bearden-inspired collages to depict the comfort of home.

Moving into Key Stage 1, Year 1 brought our school playground to life through sensory descriptive poetry. Year 2 explored the magic of books, crafting poetry and miniature books using blow art, inspired by Oliver Jeffers.

In Key Stage 2, Year 3 focused their creative energy on celebrating their local neighbourhood. Meanwhile, Year 4 celebrated cultural diversity with multimedia self-portraits inspired by Frida Kahlo and personal heritage poems. Year 5 presented a collaborative exhibition, We Belong to The Earth. Their stunning animal portraits, skyscrapers, and ocean scenes blended poetry with artistic styles ranging from William Morris to Yayoi Kusama. Finally, Year 6 took inspiration from Hilma af Klint, using abstract art and symbols to connect their shared human experiences.

Thank you to everyone who visited and celebrated our pupils' wonderful artistic journeys!

FOTW SUMMER FAIR SPECIAL

WE'RE ALL FRIENDS OF THE WINNS

Last Saturday was an incredible testament to the **spirit, energy, care and commitment of Winns staff, parents and carers**, as we came together to give the children and families across our community a fantastic Summer Fair. This week we're celebrating the fair **through the wonderful photographs captured across the day**.

Over the **next two newsletters we'll also be sharing our thank yous and volunteer shout-outs**. We know many of you are eagerly waiting to hear the final fundraising total too! Once the raffle closes this weekend and everything has been counted, we'll announce the **grand total next week**.

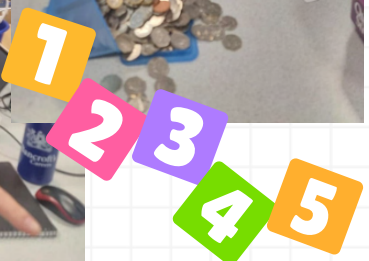

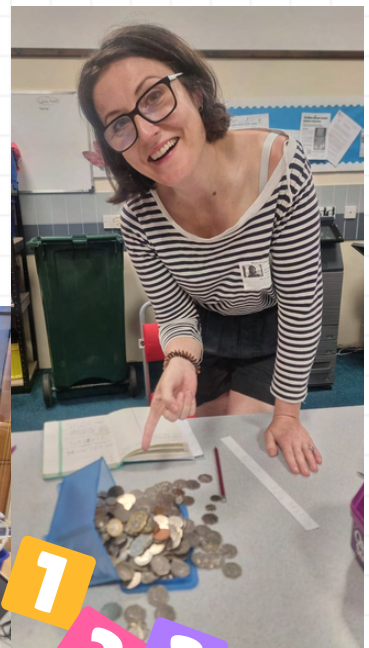

WHAT DID WE RAISE?

The early signs are looking very positive...

We're currently on track to **beat last year's Summer Fair fundraising total!**

We'll share the official total in next week's newsletter once the raffle has closed and all the final figures have been counted.

A huge thank you to **Eleanor and Karen for helping the committee with the counting**.

FOTW SUMMER FAIR SPECIAL

BEFORE THE FAIR...

Before next week's volunteer celebration, we'd also like to recognise everyone who helped make the fair possible before the gates even opened.

A huge thank you to **Eleanor, Karen, Mary-Ann and Siobhan**, who helped with Donations Day Part Two and sorting everything in the donations room.

And thank you to our brilliant Team Preloved volunteers, who spent hours washing, sorting and preparing uniform ahead of the fair:

Myfanwy, Rhian, Katie, Sarah and Rachael.

THANK YOU!

Music this term at The Winns

What a fantastic year of music-making! A major highlight was taking the KS2 Choir to the Soho Theatre to perform in the Song of the Forest project. Students should feel immensely proud of how what they have accomplished in music this year, your hard work and effort has resulted in incredible progress. I am excited to welcome new musicians in reception and see our younger musicians tackle more complex ensemble playing and composition challenges in the new academic year!

Miss Helsing

What have we been doing in extra curricular?

KS2 choir 🎤 were able to take part in the recent Songs of the Forest concert and are looking forward to performing at the summer concert.

What have we been learning this half term?

Reception: We explored different musical worlds by discovering music and instruments from Australia, Spain, and Africa. We practised clapping rhythms and moving to the music to build our ensemble and group performance skills.

Year 1: We explored rhythm and pitch by playing different patterns on untuned percussion instruments. We improved our ability to read and write rhythms, fostering teamwork and preparing us for future ensemble playing.

Year 2: We learnt to play rhythm and pitch accurately on the glockenspiel by reading stick and dot notation. We developed our instrumental skills by playing familiar melodies together, preparing us for more complex ensemble playing.

Year 3: We deepened our musicianship skills by focusing on how to use dynamics and tempo. We practised singing in rounds and playing percussion instruments while responding to changes in speed and volume, enhancing our musical expressiveness and preparing us for more complex performances.

Year 4: We explored how music can change mood by learning to recognise major and minor scales. We developed our musicianship and composition skills by creating and performing our own melodies using major, minor, and pentatonic tonesets.

Year 5: We investigated harmony by learning how to build and play chords and triads. We developed our ensemble and improvisation skills by layering bass lines, middle parts, and high parts to create rich musical soundscapes.

Do you remember the shekere?

What is tempo?
