

NURSERY NEWS 13

We have been exploring the wonders of our amazing bodies. The children have been learning the names of different body parts, enjoying action songs, and beginning to understand how our bodies work on the inside. We have also talked about how to keep ourselves healthy through exercise, eating nutritious foods, staying clean, and brushing our teeth twice a day. The children especially enjoyed making their own vegetable pizzas! Then we had fun sports day, where everyone showed great enthusiasm and cheered each other on.

Our interest in minibeasts has continued to grow. A visit from a beekeeper was a real highlight, and we were very proud of the children's knowledge about bees. In the garden, we have been busy discovering slugs, ladybirds, ants, and even a caterpillar. We also released our butterflies and were delighted to see them return to visit our flowers. Recently, The Hive visited us with their animals, helping us learn more about caring for the world around us and the animals within it. It has been a busy and exciting time, full of curiosity and discovery!

Books and Words

Non fiction body books

body part names such as chest, hip, wrist;
human; skeleton; skull; ribs; healthy;
exercise; muscles; organ names such as
heart, lungs, stomach.

Reminders and Info

Please remember sunhats and suitable clothes for sunny days. A light weight t-shirt is ideal under a strappy top. Labelled roll on sun cream can be left at nursery.

Please ensure your child has a change of clothes at nursery.

No sunglasses or toy jewellery in nursery please.

We need more donations for our junk box modelling. Small bottles with spray tops and lids would be lovely for our potion topic too.

Please label clothes. Children are taking off cardigans and tops in warmer weather and we have more lost property.

Updates and News

Nursery returns on Tuesday 2nd June.

Singing assembly is Wednesday 8th July

Topics coming up: Potions, Creative Weeks, Transport.

We are planning a trip to Grow Wild. Details of this will go out after half term.
