YEAR 5 & 6 BOYS FOOTBALL

A group of our year 5 & 6 boys competed in a borough-wide competition today. They earned one win from their group games, conceding some very unfortunate late goals in two games. Unfortunately, this meant the boys didn't qualify for the knockout rounds, but they represented the school fabulously nonetheless. A huge thank you to Coach Sim for his support and to Adam, our parent volunteer on the day.

EUROPEAN DAY OF LANGUAGES

The European Day of Languages, celebrated on September 26, promotes linguistic diversity and multiculturalism. This year at The Winns, teachers have engaged the children with activities such as learning greetings in various languages, enhancing their communication skills and cultural curiosity. Discussions in classes allowed children to share the languages spoken at home, fostering pride and belonging. The celebration featured language-themed games, storytelling, and art projects, encouraging interaction and friendships. Overall, we hope that the day has successfully highlighted the significance of linguistic diversity and strengthened community bonds through fun and educational experiences.

SPOTLIGHT ON LEARNING

Welcome to our weekly peek behind the classroom doors to see what our pupils have been up to!

This week, Year 3 had a fantastic time trialling our brand-new now>press>play audio equipment. Through immersive soundscapes and wireless headphones, pupils were transported directly into the heart of their learning topics through movement and storytelling. A huge thank you to the Friends of The Winns for kindly funding this subscription—it is already making a brilliant impact! Meanwhile, Year 4 have been putting their agility and creativity to the test in PE during their spy-themed dance unit. The children have been learning, copying, and choreographing their own stealthy secret-agent movements to match the theme, showing great rhythm and teamwork.

Check back next week to see who is in the spotlight!

FRIENDS OF THE WINNS NEWS

Friends of the Winns AGM

Thank you all so much to **all those who were able to make this week's AGM** or were able to pass on your thoughts and feedback to someone attending. It was terrific to meet, connect and share ideas with so many of you.

As a charity, FOTW hosts this annual meet to report back on the year in terms of **events, finances and gather reflections on the year ahead**. A big **thank you to Ms Judge** for sharing the priorities across the school and we are delighted to have a brilliant programme of co-funding and funding to announce shortly!

Minutes and financial report will be made available over the forthcoming weeks. The AGM is also our **chance to vote in year reps and thank you to all of those joining us or staying on in role in that capacity, plus to those standing down this year**. Year reps are an invaluable link in FOTW communications, driving information, sharing feedback and generating ideas.

It was also tremendous to reflect on the brilliant efforts of all our teams be it: **Team quiz, Preloved, passive income, purchasing, raffle, lost property, street food, cafe, book swap, library, bar** - we are so grateful for all your efforts!
